NEXT CLUB ROUND
SUNDAY 23RD OCTOBER AT BROKEN HEAD
MEET AT CARPARK 7AM
BBQ FOLLOWING THE CLUB ROUND

GIRLS GO FOR IT DAY THIS SATURDAY DETAILS BELOW

Presidents Report●

The September club round was looking very dubious at the start of the morning. A cross chop onto 1m wedgy waves at North wall was not promising but conditions elsewhere were worse. It was decided that the bank mid way along Lighthouse beach was contestable so we set up our tent and progressed into what ended up being a fun morning of surfing!

It was great to see everyone taking on their turn at judging and the morning ran smoothly. There was a minor incident in the water that did cause some confusion to the judges and the girls surfing in their heat. It is really important when competing that you check what colour rash shirt you must wear for your heat.

October will be busy, with so much happening on the 4th weekend of the month. On Saturday 22nd October we have a Girls Go For it Day, at Lennox Beachies from 8am to 10am. This is a social get together for girls to buddy up with someone else and surf on a more social level. If you can make it email or call me to confirm your attendance. It will also be a great warmup for the October club round on the following day at Broken Head.

The Broken Head club round is the second last one for the year. A BBQ lunch is prepared for all members and family in the park across from the beach following completion of the morning's competition. Tasty burgers (meat and veggie) will be provided with yummy salads and soft drinks.

With 2011 coming to an end our Annual General Meeting is fast approaching and as such will mean that all Committee positions will be vacated and voting of a new committee for 2012 will happen. If you are interested in helping out in one of the many positions please chat to me at the October club round or send me an email.

A reminder of good etiquette tips when surfing.

- Avoid collisions, even if it does mean having to pull off a wave early
- Share a peak so that other surfers have a chance at catching a wave (if you go right let them go left)
- When paddling out stay clear of girls competing in the heat prior to you
- Stay a safe distance from other competitors...far enough that if a set wave was to hit you, your board would not hit another competitor

Enjoy the waves, Maz
